I am hereby requesting authorization to gain access (including, but not limited to, the ability to view and/or transfer funds between certain accounts) via NetBanker, The Bank N.A.'s Internet Banking product, to all my eligible accounts held at The Bank N.A. I understand and agree that The Bank N.A. may, at its sole discretion, make changes to my ability to access a certain account or accounts through NetBanker, up to and including revocation of all authority, and that such action does not require prior notification to me and/or my approval.

I understand and agree that access to my account(s) via NetBanker, if granted, will be accomplished through the use of a unique ID and PIN number combination. I have selected and/or been notified of the initial PIN (shown below) for use with my NetBanker ID, and understand that for security purposes, I will be required to change the initial PIN the first time I log in to NetBanker. I agree to assume full responsibility for the safety and security of my ID and PIN number, and will not allow any one else to obtain and/or use them. Accordingly, I request The Bank N.A. to honor all authorized transactions made using my ID and PIN number, and I agree to assume full and total liability for the resulting consequences of their use thereof. Should I become aware of suspicious or unauthorized transactions, or should I have reason to believe that the identity of my ID and PIN number has somehow become compromised, I agree to inform appropriate personnel at The Bank N.A. immediately. Also, I understand that if I forget my ID and/or PIN number, I must contact the appropriate personnel at The Bank N.A. in order for it to be "re-set", and that such procedure will be performed at their discretion.

I acknowledge that I have received a copy of the bank's Electronic Fund Transfers ("EFT") disclosure statement, either at the time I originally opened my bank account and/or upon my submission of this application to appropriate bank personnel. I agree that such Statement, as may be properly amended from time to time in accordance with its terms, will govern all transactions processed through NetBanker, and that my use of NetBanker will confirm that I have received and reviewed the EFT disclosure statement and agree to be bound by its terms and conditions.

I understand that The Bank N.A. may make revisions to NetBanker, along with the terms and conditions governing its use, from time to time without prior notice to me, although the bank agrees to use its best efforts to notify me of any change that might be considered adverse. I hereby agree that my continued use of NetBanker after a revision has been made shall constitute my acknowledgement of, and agreement to be bound by, the revisions and any corresponding changes to the terms and conditions governing its use.

By signing below, I hereby affirm that I have read, and do agree to, the terms outlined on this application, and also certify the information I've provided to be accurate and true. Furthermore, I understand and agree that if I am under the age of 18 years old or am otherwise unable to enter into a legally binding agreement, I must also obtain the signature of my parent or guardian on this application (whom with their signature, hereby also consents to these terms).
